

# THE POLARIS-AWAY

Let's see what we can learn from Chance's wonderful adventure.

1. So many fun things happened in the book. What was The Polaris-Away about?
2. Which character did you like the best? And what was your favorite part?
3. Chance didn't have a family at the beginning. How did that make him feel? What do you think is the best part about having a family?
4. The man and lady invited Chance to come with them on the adventure. How did that make you feel? Why did they do that for him?
5. At the end of the book, the man and lady adopted Chance and made him a part of their family. What do you think "adoption" means?

We've learned a lot from Chance and his new family about adoption. But there are still a lot of kids out there who are waiting for their forever families. Let's pray together that those kids would find a family so that they can be as happy and loved.
